

INTERVARSITY BEER COMPETITION: 2008 TO 2011

These two pictures symbolise and capture the reason and essence of four years of successful Intersarsity Beer Competitions that brings together members of the entire brewing confraternity in South Africa.

Students focused on the beers that they have enjoyed working so hard to brew are preparing them for all to sample. On their sleeves are the insignia of two organisations that have supported and nurtured the events: IBD Africa Section and FoodBev SETA

The Judges on the Taste Panel are qualified tasters that judge Craft Beer styles brewed to BJCB guidelines.

The insignia on the shirts shows the organisation that has supported and nurtured the event: SAB Ltd and the university that co-hosted the event in 2011.

In 2011 the tasters were Wort Hog Brewers and a representative from Sedibeng – Heineken Brewery.
